Rt. 12, Frederick, Md. 21701

Mr. Marion Johnson
National Archives
Washington, D.C. 20408

Dear Mr. Johnson,

Thank you very much for your call to Mr. Lesar to let him know of the pages awaiting me and the depletion of my account.

Enclosed is a check for $100 for that account.

Mr. Lesar did not tell me that you had made verbal response to my letter relating to the Shaneyfelt deposition.

You will recall that he testified to taking photographs of the curbstone you said were not in the Warren Commission files.

You are also aware of my requests relating to that particular evidence going back for years.

I do want in writing the fact that I asked for the described photographs, that you do not have them and that Mr. Shaneyfelt did testify to having taken such pictures.

It does seem there has been ample time for response.

The next deposition is scheduled for tomorrow.

Unless there is a response from you in today's mail there will not be any response in time for that deposition.

Sincerely,

Harold Weisberg
